

DELTA PROTECTION COMMISSION

Community Meeting Summary - Round Two

November 8, 2010 - Oakley (Oakley City Hall) - 3231 Main Street - 9-10:30 a.m.

The purpose of the Round Two public meetings was to review and discuss the preliminary draft Framework Study for the Economic Sustainability Plan for the Sacramento-San Joaquin Delta. The meeting was called to order at 9:02 a.m. by the Economic Sustainability Plan Framework project team. A 30 minute presentation was given by the team and the participants asked questions for five minutes. The participants completed surveys handed out at the beginning of the meeting to review the framework, section by section. The following suggestions were offered (listed below as outlined in the draft framework):

Key Drivers

- Is water supply a possible driver?

Key Sectors

- Separate "recreation," "marine services" and public services?

Key Assets

- No additional assets suggested.

Key Factors (economy as a whole)

- Political will, specific development projects (e.g. Two Gates), as well as ag, energy and environmental policies.

Key Factors (by sector, only listed if suggestions were offered)

- Agriculture - policies
- Food Processing... - many counties, different policies, labor (training and support)
- Tourism - abandoned vessels, lack of funding, poverty (homelessness, etc.)
- Boating - lack of plan to address invasive species, changes are difficult to make (facility expansion)
- Retail, Restaurants.... - area really needs more comprehensive master plan, call out transportation
- Government/Public Services - impact from new state/fed policies, changes in other areas (water) will impact other areas (habitat conservation)

For more information on the Economic Sustainability Plan Framework Study please visit the Delta Protection Commission's website at www.Delta.ca.gov. Support documentation and other materials are posted on the website. Please contact DPC staff at (916) 776-2290 for more information.
